

*IEA 4E SSL Annex's 2023 Interlaboratory Comparison of  
 Temporal Light Modulation (TLM) Measurements (IC 2023)*

**Participating Laboratory Registration Form**

Laboratories are invited to participate in IC 2023 by filling out the registration form below. The information provided will be kept strictly confidential and will be used only for the purposes of internal management of IC 2023. The comparison of all laboratory results in the Final Report will be presented using confidential codes issued to each of the participants. In addition, participants are invited to decide whether their name will be listed at the beginning of the Final Report without identifying their individual results or confidential code.
